

# ALCOHOLIC BEVERAGES FROM CORK'N BOTTLE

*Complete form and return to Cork'n Bottle ASAP*

*CALL or FAX your order to Phone/fax 1-928-774-8502 or  
MAIL your order to: Cork'n Bottle - 824 N. Beaver ST. Flagstaff, AZ 86001*

*Orders and changes within 3 weeks prior to your trip date cannot be accommodated.*

**Your alcoholic beverages and sodas will be supplied by Cork'n Bottle, a Flagstaff liquor establishment.** Accordingly, this form must be accompanied by a **check made out directly to Cork'n Bottle or a credit card #.** Please do not send or combine this total with any payment to Canyon Explorations. *Please call Cork'n Bottle at 928-774-8502 with any special requests or questions on prices.*

Beer, wine and soda orders are pre-packed onto our boats in individual burlap bags. Please be aware that while it is not a common occurrence, cans/wine bladders can be damaged due to the nature of transporting them downstream. There is a limit to the total amount of beverages (sodas, beer and wine combined) allowed per person due to finite boat space.

## **Beverage limits per person:**

Full Canyon trips	5 six packs (beer and sodas combined)	<u>or</u> 3 three-liter wine boxes
Upper Canyon trips	2 six packs (beer and sodas combined)	<u>or</u> 2 three-liter wine box
Lower Canyon trips	3 six packs (beer and sodas combined)	<u>or</u> 2 three-liter wine box

**HARD LIQUOR NOTE:** NO GLASS! If you would like to bring hard liquor, please decant it into a plastic container or purchase the ones bottled in plastic.

**WINE NOTE:** NO GLASS! Please decant glass-bottled wine into a plastic container; we have found that the Platypus brand soft plastic bottles work really well (available at select sporting goods stores).

**Beverages supplied by Canyon Explorations/Expeditions:** endless filtered water, powdered ice tea, lemonade, Gatorade (2 powdered flavors), and Hydralyte, a powdered electrolyte replacement drink. We also supply coffee, decaffeinated coffee, regular and herbal teas, and hot chocolate. We have juice every morning and a limited number of canned juices for during the day.

*Please Note: you must be at least 21 years of age to purchase alcoholic beverages.*
